Champs International PROGRAMS

LEARN TO SKATE—CHILDREN

Learn to Skate at Scotia Barn follows Skate Canada's learning to skate program, Canskate.

Canskate is designed for beginners of all ages and focusses on fun, participation, and basic skill development.

Lessons are given in a group format and led by an NCCP certified professional coach. Professional coaches may be assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:8.

Sessions are active using visual aids and music to create a fun, stimulating, and welcoming environment. Report cards, ribbons, and badges are received in the program. Canskate for children is the feeder program to our Junior Academy program.

Learn to Skate Lesson Format

10 minutes: warm up in a large group to music

30 minutes: designated groups (groups divided by skill level)

5 minutes: cool down, large group game

Evaluation is done during the 30 minutes on Progress Report Cards. Once requirements have been met for a level, children are rewarded with a badge and promoted to the next stage.

HAPPY FEET

Happy Feet teaches Learn to Skate with specialized high performance coaches. The focus is development toward strong edge, turn, jump, and spin technique. Interpretation to music is encouraged to bring out the happiness & musicality of skating on the ice. All skaters must be under 8 years of age and selected from Champs full time staff. Proper figure skates and CSA helmets required.

Rentals not provided for this session.

Happy Feet Mascot to attend for special visits.

Coordinators: Kathryn Kang & Diane Knutson

Scotia Barn Canlan and Champs International are following COVID protocol to meet Skate Canada, BC/YK & BC Public Health guidelines.

- Reduction of skaters on ice
- All coaches must wear face masks and gloves
- All skaters must wear a face mask into the facility.
- Physical/social distancing guidelines followed on and off the ice
- Enhanced cleaning measures
